Criteria, elements of criteria for awarding the contact	The selection of the most favorable bid will be made using the criterion "LOWEST PRICE OFFERED". If there are two or more bids with the same price offered, the contract will be awarded to the bid in which the bidder offered a longer payment deadline. If there are two or more bids with the same offered price and with the same offered a longer payment deadline, the contract will be awarded by a draw. The contracting authority shall inform all the bidders who have submitted their bids in writing, about the date of the drawing. Only those offers will be included in the draw that have the same lowest price offered and the same a longer payment deadline. The drawing of the winnign offer shall be performed publicly, in the presence of the bidders, by placing the names of the bidders on separate papers of the same size and color and putting all those papers in a box, ball or other suitable item from which they will draw only one paper. The bidder whose name is on the drawn paper will be awarded the contract. For bidders who do not attend this procedure, the contracting authority shall submit a record of the drawing process.
